About Volunteers of America Alaska

Volunteers of America Alaska is part of a national organization founded in 1896. In Alaska, our programs support Alaskans of all ages. Volunteers of America Alaska programs include Prevention, Intervention, Education, and Treatment services for adolescents who are impacted with substance or alcohol abuse. We have programs that help Grandparents raising grandchildren and we provide the Retired and Senior Volunteer Program (RSVP).

The Retired and Senior Volunteer Program is committed to making a difference in Alaska, by tapping into the “fastest growing natural resource” available – citizens over the age of 55! Part of the RSVP mission is to help individuals age 55 and older put their skills and life experience to work in their communities.

Last year alone, RSVP members contributed over 110,000 hours of service to over 100 non-profit and public organizations throughout Anchorage and the Mat-Su Valley. RSVP Volunteers donate their time and talents in an array of different services ranging from, local hospitals, community outreach programs, elementary schools supporting literacy, and many other needed programs.
