

FAScinating Families Winter Camp

Feb 12-15, 2010  Wasilla, AK

The purpose of FAScinating Families Camp is to bring families raising kids with FASD together to share their experiences; learn new parenting tools, ideas, and resources; provide times of respite; offer experiences that will strengthen the family; and to provide hope and encouragement for the future. There will be...

*Workshops
for
parents*

recreation

Skiing Sledding Swimming

CRAFTS
for all ages

*plus EACH family will
create a craft together!*

Families will be housed in cabins together at LaVerne Griffin Youth Rec Center. All meals will be cooked for you and served in the dining hall (*and you won't even have to do dishes!*) Each day will offer a schedule of activities for you to select from, as well as options for the kids. There will be times for families to interact with each other, and respite times for a break from the kids. The camp will be staffed with experienced respite staff to help keep your family safe, secure and entertained!

Call (907)279-9646 or email pidirector@voaak.org for more information or to register.

This camp is funded with a grant from the State of Alaska, Dept. of Prevention & Early Intervention Services.
